SAFETY BELT BLITZ BY AREA POLICE DEPARTMENTS

The North Bend Police Department and other Law enforcement agencies in Oregon, Washington and British Columbia will focus a safety blitz August 31st through September 13th, 2009 on the three most common factors in deadly traffic crashes.

In Oregon, the leading factors in fatal crashes are: excessive speed, DUII and failure to Use safety restraints,

The North Bend Police Department will also focus extra effort on appropriate child passenger restraints, car seats, and booster seats.

The Three Flags Campaign, named for the two states and one Canadian province In the Pacific

Northwest, uses periodic enforcement blitzes and public Information campaigns to promote proper use of safety restraints and to deter speeding and driving under the influence of intoxicants.

Oregon ranks In the top five

among US states for highest safety belt use at 96%. And yet the unbelted 4 percent accounted for almost half of the fatalities in traffic crashes in Oregon.

All occupants age 16 and older are responsible to buckle themselves up, and adult passengers are responsible for properly restraining children under 16 in seat belts or child safety seats.

OREGON ADULT SEAT BELT LAW:

Oregon law requires that all motor vehicle operators and passengers be properly secured with A safety belt or safety harness. Adults in a vehicle must have a seatbelt over the shoulder, across the chest and snug across the hips.

This means that both parts of a lap and shoulder belt system must be worn together, only one person per belt, and no placement of the shoulder belt behind the back or under the arm. Any of these situations places the vehicle occupant at

severe risk of internal crash injury.

OREGON CHILD RESTRAINT LAW:

*Children weighing less than 40 pounds must be restrained In a child safety system.

*Children weighing more than 40 pounds must use booster seats until they attain 8 years of age AND are at least 4' 9" tall.
